

All Star Selection Policy

Baseball – Teams in 9-10, 10-11, and 11-12 divisions will be fielded each year dependent upon registrations.

Softball – Teams in 9-10 and 11-12 divisions will be fielded each year dependent upon registrations.

- On the baseball side, only 9 year olds can play up on the 10 year old team. 11's and 12's will comprise other two teams.
- On the softball side, they can bring girls up to fill a team.

The Player Agent with VP's of Baseball and Softball OR the Player Agent will give the head coaches in each division (Majors, AAA, 12U, and 10U) a ballot. They vote for NINE players of their choice who should make the respective teams. They will need to vote then and turn the ballot into the Player Agent. The final three or four (depending on the coach of All-Star team) will then get three or four 'coaches' picks. The Manger will have to tell the Player Agent who those picks are by May 20th. This will allow for the head coach to fill position needs as he/she sees fit.

The Player Agent will notify the board by May 25 the rosters of each team. Binders for these teams will be issued to coaches on June 1st. This will allow the coaches to practice immediately if they so choose.
